

KAMRIN 2010 COURSE CALENDAR

2010 November 15 - Monday. In the following week read Chapter 1, lessons 1- 3, pages 13 - 25, in the book. If you don't have the book, that Study Guide will do for now.

Assignment is in the Study Guide but there is no homework to be turned in.

2010 November 22 - Monday. Start reading Chapter 1, lessons 4 - 5, pages 25 - 29.

Assignment:

Exercise 2 on pages 27-28. You can do this on your own. Do not turn it in.

Exercise 3 on pages 28-29. Read the signs and transliterate them into MdC. The transliteration font, if you have one, should work with the same keystrokes as the MdC, but it will not show up on everyone's screen, so use the MdC. You do not have to make an English version of each name. Post this no later than 2010 November 28 to the Kamrin 2010 site. The subject line of your post must read as follows: **HW03**. If you don't do that exactly that way it can be missed. Well, you don't have to make it bold face. That was just to make it stand out.

2010 December 5 - Sunday

Exercise 4 on page 33. Assignment: Exercise 4 on page 33. For each item write the MdC followed by a translation into English. The title line for you post must read: HW04. That's a zero-four, not "oh-four".
